

Sing With Joy

By
Stuart Gillard

In Memory of Harley Mead

Harley was a composer, conductor, colleague, teacher, mentor and friend.

He inspired all those around him with his energy and passion.

Everytime I worked with him or saw him conduct I always learnt something new.

He was a generous man who always had nice things to say about my music.

"Sing with Joy" was inspired by the joy Harley gave to everyone through his music and his life.
